Town residents, John Atkinson and Terry Neises came before the town board requesting that the cul-de-sac off of Sandhill Avenue be snowplowed this winter. They would also like the township gravel this road in 2019, and would consider having the township make it into a legal township road. There are -2- year around families living there and maybe 11 hunting shacks or summer homes. After discussing all the options, the town board agreed to snowplow this road and will look into calling a special meeting for all landowners living in this cul-de-sac to met sometime in 2019 and see what they want to do as a group project. (The road needs to be widened according to State Specifications and the ditches need to be cleaned.) At 6:15 pm the landowners left the town hall and the Town Board met in Regular Session. Minutes of the previous meeting were read. A correction in the minutes -- Carl Opelt of Opelts Sand & Gravel will charge \$85 per hour for delivery, and \$20 per ton for sanding roads this winter. After this correction a motion by Andy Cegielski, seconded by Curtis Anding to accept the minutes with this noted correction. Peggi Schwanebeck gave the treasurer's report. We have on hand \$43,993.05 in our checking account as of October 31, 2018.
