**CORRESPONDENCE:** Cooper Gas of Stevens Point notified Chairman Andy that heating fuel will be \$1.04 per gallon. We will wait for their contract and then lock-in a specific gallon amount for the 2019-2020 and send a prepayment in. The town board at this time does not feel like we will qualify for disaster payment and if FEMA will be paying anything. It is our turn to host the Fall cleanup of large recyclable items. Chairman Andy will notify the townships of Lynn, Grant & Washburn. The tentative date is October 12, 2019 at our town hall from 8:00 am to Noon. The snowplowing bills sent to landowners in the cul-de-sac off of Sandhill Avenue is officially canceled because the town board felt it was not appropriately drawn-up. Only one landowner sent payment and a check will be sent to him to cancel this bill. It will be the landowners responsibility to keep their official driveway plowed.

**GARAGE UPDATES:** Joe Gaier gave Chairman Andy a bid to extend the garage, -8-foot wider and 8-foot high-the concrete, steel frame & insulation at a cost of about \$15,000 but not more than \$20,000. Completion date was not available. After the town board discussed this issue, it was decided to put this project on hold and look into more options. Kevin Minor of Miller Construction of Pittsville will be contacted to see what they could do and the cost.

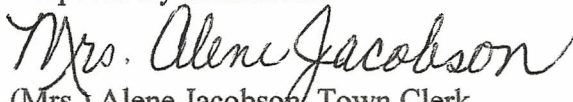

**GRADERS:** Two Caterpillar graders were looked at--CAT 12M2 + options, was offered to us for \$279,500 minus \$25,000 for our old grader as trade in = \$254,500. Also the 2019 Model 12M3 Cat with accessories for \$310,500 minus \$25,000 for our old grader as trade-in = \$285,500. Also New John Deere graders from McCoy Construction Forestry, Tony Siverling 4341 S. Prairie View Road, Chippewa Falls, WI. 54729. (Phone 715-834-2924 or Siverling's cell # 715-559-8000) The John Deere 622G-6 has the same horsepower as the Caterpillar 12M2. The JD 622G-6 was offered for \$277,500 and our trade in would be \$35,000 for a new sale of \$242,500. The JD 672GP-6 with slope control & 6-wheel drive lists for \$310,000 minus \$35,000 for our trade-in for a total of

\$275,000. They also offer 30 plus accessories or option for an addition cost. We are looking for rear camera, rear fenders and improved lights and maybe some other options too. Maintenance is for 7 years or 4,000 hours. After discussing all graders a motion by Chairman Andy, seconded by Supervisor Ken to buy the JD 622G-6 for \$242,500 after trading our Caterpillar.
