

Resolution 2015-0040
TOWN OF SHERWOOD

Support to Improve Broadband Access in Clark County

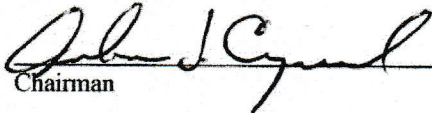

WHEREAS, improved broadband access is necessary to Clark County citizens and businesses in the areas of economic development, job creation, health care, education, communication, entertainment, quality of life, and other future uses; and

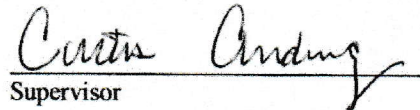

WHEREAS, significant portions of Clark County are below average in broadband access, speed, adoption, and capacity compared to the rest of Wisconsin, other states, and our worldwide competitors; and

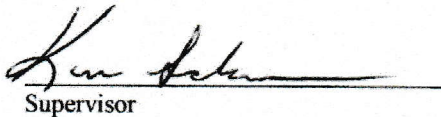

WHEREAS, the cooperation and collaboration among county, town, village, and city governments along with broadband providers is necessary to ensure success; and

WHEREAS, a Clark County Broadband Consortium, consisting of a broad spectrum of government, educational, and business interests, has assembled and begun dialogue on the needs and goals for broadband improvement in Clark County.

NOW, BE IT HEREBY RESOLVED, that the Sherwood Town Board hereby endorses the efforts of the Clark County Broadband Consortium and establishes as a goal that Clark County broadband opportunities are provided for the businesses and citizens of Clark County.
